

Welcome!

Waterman's Beer Market is proudly Tasmanian family owned and operated.

Our 1840's convict built building started life as a ship chandelier with reclaimed land out front the Waterman's Dock opposite provided horse and carriage the short trip from ship to store to replenish stock.

Take a moment to look at the sandstone walls and imagine the stories they could tell. Upstairs we have built award winning short stay apartments, the story of Salamanca's past continues; with secret doorways leading into Ma Dwyer's House of ill repute to assist in the discreet getaway still remain.

Enjoy a drink in the beer garden, the sandstone supports of the convict quarry remain they provided the stonework for this building and many others along Salamanca Place.

So we welcome you to our little Pub, enjoy your stay and come have a chat

Thank you and cheers

Justin, Sarah and Harvey Parr

Please order and pay at the Bar.
